Dear Martial Artist:

Action International Martial Arts Association (A.I.M.A.A.) is a leading and innovative martial arts organization founded by Grandmaster Hee Il Cho in 1980 to serve as a unifying body for martial artists of all styles and disciplines. It is not the intent of this organization to unite systems in terms of styles or training methods, but to unite the great universal studying of any styles of martial arts.

As member of Action International Martial Arts Association you are entitled to the following benefits:

- ✍ Ten days per year training at any A.I.M.A.A. affiliated school or at A.I.M.A.A. World Headquarters.
- ✍ Discount on non-sale books and video tapes.
- ✍ A personalized membership card.
- ✍ An A.I.M.A.A. membership patch for the uniform.

In addition to the above benefits, you may also be able to receive International Ranking recognition with certificate for your rank, if your martial art school is affiliated with A.I.M.A.A. This benefit is not available for student membership if your school is not affiliated with A.I.M.A.A., but will be available when you are qualified to apply for the Instructor/School Affiliation yourself.

You may select to have an annual membership for a fee of \$30.00 or a lifetime membership for a fee of \$300.00. With the lifetime membership you will also receive any two video tapes of your choice from Grandmaster Hee Il Cho's Video Library; a value of \$80.00 absolutely free.

We are looking forward to having you as a member of an elite group of martial artists who practice martial arts for the development of mind, body and spirit to promote peace, harmony and truth amongst all people.

Yours truly,

Action International Martial Arts Association
